

**Bob Miller Middle School**  
**WELCOME BACK DAY PROCEDURES**

Pre-registered students may pick up their schedules and locker assignments in assigned alpha rooms (alpha room assignment included) during the hours of 7:30 AM to 11:15 AM, **Friday, August 5, 2022.**

Starting August 2, 2022, students and parents will be able to view student schedules on Infinite Campus. Visit [myaccount.ccsd.net](http://myaccount.ccsd.net) to reset a password or claim an account. This will be helpful if you are unable to attend Welcome Back Day in person. If you have a concern with your schedule, please complete the following [Google Form](#) and our counselors will get back to you as soon as possible. Please remember that our counselors have worked extremely hard since the spring to ensure our students are in the just right class. They have met with students to pick electives. We will not honor requests at this time for elective changes, lunch changes, or schedule changes to be with friends or specific teachers.

Schedules will also be available in the afternoon of August 5, 2022 in the Counselors' Office from 12:30 PM to 3:30 PM. **Students who do not pick up their schedules on August 5, 2022, will be able to pick them up from their counselor in Room 200 on the first day of school, Monday, August 8, 2022, beginning at 7:30 AM.**

**INSTRUCTIONS:**

1. Students and parents should refer to the alpha-assignments to determine where to go to pick up the class schedule. If your address, phone number, or other information has changed, please see our registrar, Jennifer Johnson. You must produce a photo ID in order for the school to make the change. Proof of residency is required to change an address (mortgage statement, rental receipt, lease agreement, utility bill).

2. If you paid online, you will need to bring your printed receipt with you in order to receive PE clothes.
3. If you have not prepaid your student's [fees](#), after picking up the schedule, you may go to the cafeteria to pay your fees (PE uniform, towel service, yearbook, technology, optional donation to school, etc.) for your child. We accept check or cash (exact amount please). Credit/debit card payments will only be accepted online in our [WebStore](#) at [bobmillerms.com](http://bobmillerms.com). We will also have computers available on Welcome Back Day, August 5, 2022, so you may log in to our WebStore in the cafeteria.
4. Students not accompanied by a parent or guardian will not be allowed to loiter on campus after they have received their schedule and locker assignment.

### **CHROMEBOOKS:**

To check out your child's Chromebook for the year, please complete this [agreement form](#) and visit the library to pick up your student's Chromebook and charger on Welcome Back Day. If you are unable to attend the event, Chromebooks will be distributed during the first week of school. Students do not need Chromebooks on the first day of school.

### **LOCKERS:**

A locker has been pre-assigned for each student. The locker assignment and combination will be provided with each student's schedule. Students are encouraged to take a few moments to find their locker and practice opening it. To open the locker, spin the lock twice to the right and then stop on the first number. Then spin the lock to the left, past the first number once and stop on the second number. Finally, slowly spin the lock to the right with one hand while pulling on the locker door with the other. As the lock approaches the third number, the dial will feel tight and the locker will pop open. Staff members will be in the halls helping students open their lockers. If the locker is not functioning properly, please report the problem to staff in the Student Success Center. **Note that we cannot accommodate student requests for a specific locker (top locker, one close to their friends, etc). Accordingly, please refrain from making such a request.**

### **TRANSPORTATION:**

Parents can verify online that their student is registered for transportation at <http://transportation.ccsd.net/>. Parents with questions related to transportation should call 702-799-8111. Only students living two or more miles away from the school are eligible to receive bus transportation to school. Parents may register by phone or with the school registrar. Further questions may be addressed at our Student Success Center.

### **ONLINE REGISTRATION:**

Because it is essential that we have **current and accurate** information for you and your student(s), it is imperative that you complete the Online Registration to update your data for the 2022-2023 school year.
